

Kiddy Corporation

WE WANT YOU!!

Now Hiring Child Care Technicians!!!

623-466-8646

North and South Phoenix Locations

Our childcare technicians provide hands-on care and deliver the Kiddy Corporation pre-school curriculum to our enrollees. As a childcare technician, you ARE Kiddy Corporation to the children that you care for. We prefer individuals that have had first hand experience in child rearing or simply love being around children. As a technician, you will deliver care in a warm, home-like setting and care for our enrollees as though they were your own child.

Duties:

- Provide safe and effective care to Kiddy Corporation enrollees
- Communicate with parents on their child's daily activities and developmental progress.
- Light house cleaning and preparation of childcare areas.
- Light food preparation and feeding.
- Changing infant and toddler diapers, as outlined in Kiddy Corporation operating procedures.
- Potty Training.
- Educational activities, such as reading, spelling, computer based developmental programs, etc.
- Facilitate technician lead activities to ensure that child socialization, developmental needs and goals are met.

Requirements:

- Excellent work ethic and love for children.
- Previous childcare experience.
- Detail and customer oriented.
- Flexible with hours and duties.
- Ability to handle multiple duties.
- Finger printing and background check (to be completed within 1 week of employment date).
- All immunizations up to date (including TB).
- Highschool diploma, GED or in process.

Desired:

- CPR and First-Aid Certified (must have within first month).
- Food-handling certification.
- Able to attend continuing childcare education classes.

Pay: DOE

Benefits: One child can attend center while on duty, free of charge.
Free in-house meals.
